

Base::Observer

```
classDiagram
    class BaseObserver["Base::Observer"]
    class ViewViewObject["View::ViewObject"]
    ViewViewObject --|> BaseObserver
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled "Base::Observer". Below it is a gray rectangular box labeled "View::ViewObject". A blue arrow points from the top of the "View::ViewObject" box to the bottom of the "Base::Observer" box, indicating that "View::ViewObject" inherits from "Base::Observer".

View::ViewObject
